

## Uniform Policy

---

Fremantle College has a clearly stated and expected student uniform policy designed to;

- Increase ground safety through easy identification of students.
- Support students to understand the world we live in and transition to young adulthood where they adhere to their workplace expectations.
- Promote the public image of the college when in the community.

All uniform items must be supplied by the College uniform supplier Uniform Concepts.

- There are five options available for students to wear as bottom garments; all are appropriate from Year 7 to 12.
- Lower school students (Years 7 -9) are required to wear a polo shirt and can be purchased in girls and unisex fits. Upper school students (Years 10-12) are required to wear a white school shirt (girls and unisex fit available) to signal the move to a more adult vocational environment where the conditions of the workplace are modelled.
- Black formal pants and a black polo shirt are required to be purchased for students in Music, Performing Arts and Hospitality. These are also available from the uniform shop.

The student will be offered a borrowed uniform and expected to swap their incorrect item of clothing for the day. The student item will be swapped back at the end of the college day when the student attends student services.
- On the third occasion, they are also given a lunchtime detention. Parents are informed of the issue and worked with to identify challenges. Student Services will work with parents and the student to resolve any issues.
- Parents are encouraged to speak with Student Services if they require support in ensuring their child is appropriately attired for school, including receiving financial support for this purpose.
