Perseverance

## Payment of Contribution & Charges

All students of Fremantle College will receive a quality education based on the WA Curriculum. The School Curriculum and Standards Authority (SCSA: <https://www.scsa.wa.edu.au>) provide additional information about assessment and certification of subjects offered to your child at Fremantle College.

However, we also offer opportunities for your child to enhance their learning journey by offering an array of Specialist and Academy programs. There is a CHARGE for these subjects due to the higher cost of providing these options. ***If you accept a place in our Specialist or Academy programs, you will be accepting this charge and should pay 50% immediately and pay the balance in Term 1 2020.***

Year 11 and 12 subjects also have a CHARGE attached as per Department of Education policies.

All CHARGES are compulsory if you choose for your child to undertake these elective subjects.

We believe that the best way to provide quality education is through the provision of modern texts and equipment for students. Your payment of the VOLUNTARY CONTRIBUTIONS will result in a higher standard of educational resources for your child. Fremantle College urges you to pay this portion to enable the college to provide your child with the education we believe they deserve.

We recommend you start making plans now so that you are in a position to pay your Compulsory Charges and Voluntary Contributions prior to the end of Term 1, 2020. Funds collected within the year are spent on resources for that year. Fremantle College has several payment options available (see below). Please contact the College for further information.

## Financial Assistance: Secondary Assistance Scheme (SAS)

**Applications open during Term 1 only – on-line at Fremantle College Reception**

The Government has a Secondary Assistance Scheme (SAS) to assist parents with a Health Care card. SAS is available to parents/guardians of secondary students that hold a Centrelink Family Health Care or Pensioner Concession Card or Veteran's Affairs Pensioner (Blue) Concession Card that is current during Term 1.

***You will need to bring your card to Reception at the start of school to apply.*** The SAS comprises of an Education Program Allowance of \$235 that is put towards Voluntary Contributions (Year 7 – 10) and Charges (Years 11 & 12), and a Clothing Allowance \$115 that can be paid to the College for Charges, or paid to the parent/guardian for uniform expenses.

### Late applications

Late applications will only be accepted by the Department of Education in extenuating circumstances and must be accompanied with a written explanation.

Eligible interstate or overseas students who are enrolled after Term 1 may apply for the allowance.

## PAYMENT OPTIONS

Fremantle College has the following payment options to make it easier for you

- By **Direct Deposit** to Fremantle College:  
**BSB: 066-040      Account No: 19903653**  
Reference: Student Surname, Initial, Year (eg: BloggsJYr8)  
(Please ensure you complete the reference in the transaction so we can track your payments).
- By completing the **credit card** information at the bottom of the Contributions & Charges Sheet and returning to the college.
- By Qkr! – install the Qkr! app on your phone for fast easy payments
- In person at Fremantle College reception – cash or card.
- **Payment Plan** – organised by contacting the Fremantle College Finance Officer
- **Centrepay** – Use Centrepay to make regular deductions from your Centrelink payment. Centrepay is a voluntary and easy payment option available to Centrelink customers. Go to [humanservices.gov.au/centrepaybusiness](http://humanservices.gov.au/centrepaybusiness) for more information and to set up your Centrepay deductions. Forms available at Fremantle College reception.

Please contact the College office early if you have any payment issues so we can work with you. Charges not paid by the end of Term 3 will be referred to a debt collection agency unless arrangements are in place for payments

### Collecting Charges and Voluntary Contributions

- The college will take a positive approach to collecting voluntary contributions from parents/caregivers of students. In particular, the college will highlight the benefits to students if all parents meet their voluntary contributions.
- With respect to compulsory charges for Years 7 to 12, the college will actively seek full payment of compulsory charges when appropriate. **Outstanding charges are rolled over to the student's record the following year where applicable, and could accumulate into a substantial amount. For this reason we encourage early payment each year.**

The Fremantle College Board, in support of this process, has endorsed the following actions:

- Statements of your outstanding amounts will be sent out twice a term until cleared.
- Compulsory charges unpaid as at end of Term 3 could be referred to a debt collection agency unless prior arrangements have been made.

**YEARS 7 AND 8 all students**  
**VOLUNTARY CONTRIBUTION FOR COST OF EDUCATIONAL PROGRAM**

Curriculum Area	
English	\$30.00
Mathematics	\$30.00
Science	\$33.00

## PERSONAL ITEM REQUIREMENTS (BOOKLIST) see [fremantlecollege.wa.edu.au](http://fremantlecollege.wa.edu.au)

- Curriculum books, stationery and personal resources – recommended personal and stationery items are detailed on the Personal Items List located on the college website.
- Or you may pick up a hard copy from Reception
- Items may be purchased from Champion Education or parent/caregivers have the option of purchasing from other suppliers.
- Year 11 & 12 students are only to purchase the basic stationery requirements as shown on the personal items list and text books **only for the subjects in which they are enrolled.**

If you intend using Champion please follow the instructions on the front page of the personal resources / booklist sheet.

## General Information for Years 7-12

The following information is provided in the hope of making the contributions and charges structure clear for parents and caregivers. Fremantle College has directed its efforts towards keeping costs as low and as equitable as possible.

### **Voluntary Contribution - Years 7 - 10**

The voluntary contribution (max \$235.00) enables the school to supply students with curriculum resources in the compulsory learning subjects including English, Mathematics, Science and Humanities and Social Science. Revenue from voluntary contributions also contributes to the supply of physical education equipment, audio-visual equipment, information technology facilities, and photocopied materials.

In **Years 7 and 8** students are provided with a set timetable including compulsory learning subjects as well as the opportunity to experience a range of elective subjects in The Arts (Music/Visual Art) and Technologies (Design & Tech/Home Ec/Digital Technologies). **This is with the exception of students who are in Specialist Programs.**

In **Years 9 and 10** students complete English, Mathematics, Science, Humanities and Social Science and Health Ed, and their choice of elective subjects. Students may choose low cost electives that fit within the voluntary contribution, however, can also choose extra cost option subjects that attract a compulsory charge.

### **Other Optional Compulsory Charges – Years 7 - 10**

Other optional courses outside the core educational programs incur additional charges above the voluntary contribution of \$235 for Year 7 – 10 students. For example, Marine, AFL Academy, Visual and Performing Arts, and Technologies attract compulsory charges for items such as resources, specialists, and venue hire. Charges relate to items that students consume over and above what is supplied by the Department of Education.

Charges for other optional courses are required to be paid at the start of the college year. Charges for excursions and events can be paid for at the time of the event is organised.

### **School Library Card/Smart Rider Cards - \$5.00**

Smarterider cards will be issued to all new students. The Library card also doubles as a School Library card. Students will be able to access the student fare for any journey Monday-Friday during the school year and concession fares on the weekend and during the Christmas school holidays. The Library card will enable students to borrow books through the Library and use the photocopiers. If the card is lost or misplaced, a new card can be issued at the cost of **\$5.00** per card. All cards will include a photo for identification purposes.

### **Specialist Programs – Other Optional Compulsory Charges**

Marine, ICT, Contemporary Music, Performing Arts Academy and AFL Academy are offered at Fremantle College and will incur compulsory charges over and above the voluntary contribution for a nominal curriculum choice.

***Charges for Specialist Programs are required to be paid early! Please organise to pay 50% before this year and final payments by the end of term 1 2020.***

### **Compulsory Charges – Years 11 and 12**

Charges will depend upon the course chosen. Some specific courses will incur higher costs dependent upon such items as text books, subject specific resources, materials, excursions, certificates and work placement. Students involved in **work placement must pay the associated fees prior to commencement** of the work placement.

### **VOLUNTARY APPROVED REQUESTS**

#### **Library Contribution - \$20.00**

The Library contribution is required to purchase a large and expensive range of equipment and books and research resources.

#### **Subscriptions / Publications - \$20.00**

This contributes to the teachers and students to have access to software/apps/on-line resources that are web based relevant educational programs. Also includes publications for such things as enrolment packages, parent information publications and school yearbooks.

#### **Student Printing - \$10.00**

Students who pay this optional cost are allocated a \$10.00 network printing account. If the student exceeds this allowance they will be required to pay for additional usage. This is the only means in which students will be able to print in the school.

#### **Information Technology - \$20.00**

This request allows Fremantle College to provide high speed internet access to all areas of the school site. It is also used to maintain subscriptions to a number of online resources such as EBSCO, Macquarie Net and World Book.

#### **Swimming - \$10.00**

Fremantle College has a 50m outdoor swimming pool which is used in Physical Education classes. Swimming skills are considered essential for all in our Australian lifestyle. Contributions collected go towards resources and consumables.

#### **Student Services - \$20.00**

Student Services subsidise events for student well-being including social/reward events, councillor orientation days, prizes and awards across all year levels.

#### **Chaplain - \$20.00**

This is to support the presence of a Non-denominational chaplain who is an integral part of the college's Student Services program and is not an employee of the Department of Education.

#### **P&C Contribution - \$40.00**

This is a donation to the P&C as a form of fundraising. They allocate these collections to specific projects around the College for the benefit the students in various ways.
