

Emerging Scholars: *Enriching Gifts and Talents* is Fremantle College’s academic extension after-school program for students in Year 5.

Students who are academically talented and/or gifted are able to engage and collaborate with like-minded peers in an environment that is stimulating, challenging and inspiring. Specifically designed to enhance 21st Century Learner Skills such as Creativity, Critical Thinking and Problem Solving, they will be mentored by Fremantle College student leaders and participate in learning experiences that differ from those in a mainstream classroom.

This program is recommended for students in Year 5 who are interested in applying for the Gifted and Talented Selective Academic Program or Academic Excellence Academy for Year 7, 2024.
