APPLICATION FOR ENROLMENT

General Information

A parent or legal guardian applying to enrol a child in a government school should complete this form. Only permanent residents of Australia and those children holding an approved visa sub class number are eligible to be enrolled in government schools.

Before you submit this application, please contact the school to find out about the school policies and whether courses and facilities required for your child are available. Please complete one form for each child and attach proof of your usual place of residence to this application form. An example of this would be a utilities account (electricity, water or telephone) showing your name and address of your usual place of residence.

This is an Application for Enrolment only - submitting this form to the school does not mean that the enrolment has been accepted by the school. The Associate Principal will firstly need to determine if there is classroom accommodation and an appropriate educational program can be provided for your child at the school. In determining whether an appropriate educational program can be provided for your child at the school, the principal will need to fully consider the information provided on the application form.

You will be notified by the Associate Principal if your application has or has not been accepted at the earliest opportunity. For parents applying to enrol their children in Fremantle College for the following year, you will be advised of the outcome of your application by early Term 4.

If your application is accepted, you will be required to complete enrolment procedures at the school. Parents/guardians should ensure that their child's birth certificate, immunisation records, school reports, records and samples of work from the previous school, and any Family Court orders or parenting plans registered with the Family Court, are made available at the time of enrolment.

NB: It is a requirement of the Department of Education that any information on suspensions and exclusions must be provided to the school at the time of applying to enrol a child. This information will help the school to provide your child with the appropriate support, if required. Children currently under suspension from a government school cannot be enrolled at another government school until the suspension period is over. Children who have previously been suspended or excluded from a government school may be required to enter into a behaviour agreement with the school if enrolment is accepted.

Transport

If you are applying to attend a school other than your local school, transport will be your responsibility. All enquiries regarding school bus services should be directed either to Fremantle College or to the Department of Transport. Information can also be found on the Fremantle College website.

Appeals

Should you disagree with the school's decision regarding your Application for Enrolment you may appeal to the Regional Education Office in the district in which the school is located. Prior to submitting an appeal, it is recommended that you contact the school Principal or the CRO at the Regional Office to discuss your grievance informally. Appeal forms are available from either the school or the Regional Office.

Confidentiality

All information provided on this form will be treated confidentially. The Department of Education's Information Privacy and Security Policy and Section 242 of the School Education Act 1999 preclude this information from being used for any purpose other than: to determine whether your application for enrolment can be accepted; to assist the school with addressing any needs for your child if enrolment is accepted; or to comply with legal requirements or ministerial directions.
