To support my child's education in a special program I commit to pay all associated charges. I understand that my child's ongoing enrolment in the program is dependent upon 50% of the specialist charges being paid before the commencement at Fremantle College and the balance being paid in Term 1, 2025.

I understand there may be timetable restrictions preventing my child being able to participate in multiple Approved Specialist Programs (with the exception of Gifted and Talented, Academic Excellence Academy and the SLP ASD).

I understand that ongoing participation in these programs will depend upon my child maintaining:
